

**CHARTER OF THE COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS OF
GLU MOBILE INC.**

As amended through April 26, 2018

I. PURPOSE

The Compensation Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Glu Mobile Inc. (the “*Company*”) through delegation from the Board, has principal responsibility to evaluate, recommend, approve and review executive officer compensation arrangements, plans, policies and programs maintained by the Company, and to administer the Company’s cash-based and equity-based compensation plans, whether adopted prior to or after the date of adoption of this Charter (including issuance of stock options and other equity-based awards granted other than pursuant to a plan). Working with the Nominating and Governance Committee, the Compensation will also consider and make recommendations regarding director compensation. The Committee may also make recommendations to the Board regarding its remaining responsibilities relating to executive compensation.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose.

II. MEMBERSHIP

The Committee will consist of two or more members of the Board, with the exact number determined from time to time by the Board. Each member of the Committee will:

- be an “independent director” as defined under the applicable rules, regulations and listing requirements of The Nasdaq Stock Market, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by such Exchange Rules;
- be “independent” as defined in any other rules and regulations (“*Commission Rules*”) promulgated by the Securities and Exchange Commission (the “*Commission*”) under Section 10C of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), except as may otherwise be permitted by Commission Rules;
- be a “non-employee director,” as defined in Rule 16b-3 under Section 16 of the Exchange Act;
- be an “outside director” under Regulation Section 1.162-27 promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and

- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions and transition provisions.

In connection with appointing or continuing the membership of each director serving on the Committee, when affirmatively determining the independence of such member, the Board will consider all factors specifically relevant to determining whether such director has a relationship to the Company which is material to that director's ability to be independent from management in connection with the duties of a member of the Committee, including, at a minimum:

- the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director, including whether the director receives compensation from any person or entity that would impair his ability to make independent judgments about the Company's executive compensation; and
- whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company, including whether the affiliate relationship places the director under the direct or indirect control of the Company or its senior management, or creates a direct relationship between the director and members of senior management, in each case of a nature that would impair his ability to make independent judgments about the Company's executive compensation.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the "*Chair*"); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

III. RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee in serving the purposes outlined in Section I of this Charter are set forth below. These duties are set forth as a guide with the understanding that the Committee will carry them out in a manner that is appropriate given the Company's needs and circumstance. The Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.

The Committee will:

1. Annually review the Company's overall compensation strategy, including base salary, incentive compensation and equity-based grants, to assure that it promotes stockholder interests and supports the Company's strategic and tactical objectives, and that it provides for appropriate rewards and incentives for the Company's management and employees taking into account whether such rewards and incentives encourage undue or inappropriate risk taking by such personnel.

2. Annually review and approve the corporate goals and objectives to be considered in determining the compensation of the Chief Executive Officer (the “*CEO*”) of the Company and the Company’s other “executive officers” as defined under Rules 3b-7 and “officers” as defined under Rule 16a-1(f) promulgated under the Exchange Act (collectively with the CEO, the “*Executive Officers*”), and evaluate the performance of the CEO and Executive Officers in light of these goals and objectives. Based on this evaluation, including an evaluation of the Company’s performance, the Committee will have the sole authority, subject to any approval by the Board which the Committee or legal counsel determines to be desirable or is required by applicable law or the Exchange Rules, to make decisions respecting (i) salary paid to the CEO and other Executive Officers, (ii) the grant of all cash-based incentive compensation and equity-based compensation to the CEO and other Executive Officers, (iii) the entering into or amendment or extension of any offer letter, employment contract or similar arrangement with the CEO and other Executive Officers, (iv) the entering into or amendment or extension of any CEO or other Executive Officer severance or change in control arrangements, and (v) any other CEO or other Executive Officer compensation matters; provided that the Committee may take account of the recommendations of the Board (or other members of the Board) with respect to CEO and other Executive Officer compensation. Among the factors, that the Committee will consider when evaluating Executive Officer compensation are (a) consistency with the Company’s compensation strategy, (b) internal equity considerations, (c) competitive practices, and applicable legal, accounting and regulatory considerations. In connection with its evaluation of Executive Officer compensation, the Committee will consider the results of the most recent “say on pay” votes of stockholders, making such adjustments to prior compensation practices it may deem appropriate in response thereto, if any. The Committee also may take account of the recommendations of the CEO with respect to other Executive Officers for each of the foregoing items. The CEO may not be present during voting or deliberations regarding the CEO’s compensation.

3. Periodically review and approve or make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the cash amounts and aggregate numbers of shares reserved for issuance thereunder after taking into consideration the Company’s strategies with respect to cash-based and equity-based compensation.

4. Review and approve policies and procedures relating to perquisites and expense accounts of the CEO and other Executive Officers.

5. Administer and interpret the cash-based and equity-based compensation plans and agreements thereunder, and in that capacity:

- advise on the establishment of equity award guidelines and the general type and size of overall equity awards;
- establish parameters for routine equity awards under delegated authority to issue equity awards in connection with new hires, spot awards and promotions specifying limits on the number of shares and the price and type of awards to be granted;
- approve all equity awards to officers and employees not expressly delegated as set forth below;

- amend equity plans (subject to stockholder approval when required) as may be necessary or appropriate to carry out the Company’s compensation strategy;
- interpret the equity plans as may be required from time to time;
- when appropriate, modify existing equity awards (with the consent of the grantees) and approve authorized exceptions to provisions of the equity plans; and
- adopt any required or appropriate option or equity award timing policy.

The Committee may adopt an equity grant policy and delegate to the CEO, including in conjunction with one or more officers, within the limits imposed by such policy and applicable law and the Exchange Rules, the authority to approve cash awards or make equity grants to employees of the Company or of any subsidiary of the Company who are not directors of the Company or Executive Officers, subject to guidelines or limits specified by the Committee, provided that in the case of equity grants, the price per share of any grant by the CEO is no less than the fair market value of the Company’s common stock on the date of grant. The CEO shall promptly inform the Committee members in writing (which includes email) of any equity grants made pursuant to this provision, which notice shall include each grantee’s name, grant date, exercise price and number of shares of any equity-based awards and the amount and timing, and conditions of any cash-based awards.

6. Meet with the CEO periodically to discuss the incentive compensation programs to be in effect for the Executive Officers and other employees of the Company or any subsidiary for such fiscal year and the corporate goals and objectives relevant to those programs and performance targets applicable to the CEO and the other Executive Officers and, where appropriate, other employees of the Company or any subsidiary.

7. Administer and, if deemed necessary, amend the Company’s 401(k) plan and any deferred compensation plans (collectively, the “*Designated Plans*”), and, if desired, delegate the routine administration of the Designated Plans to an administrative committee consisting of employees of the Company named by the Committee.

8. Working with the Nominating and Governance Committee, recommend to the Board, for determination by the Board, the form and amount of cash-based and equity-based compensation to be paid or awarded to the Company’s non-employee directors, including compensation for service on the Board or on committees of the Board.

Following any such “say on pay” frequency vote (i.e., prior to the promulgation of the Company’s next annual meeting proxy statement), determine or make recommendations to the Board regarding the frequency with which “say on pay” votes shall be included in the Company’s proxy statements pending the next such “say on pay” frequency vote.

11. Review and discuss the “Compensation Discussion and Analysis” disclosure and any narrative disclosure regarding the Company’s compensation policies and practices as they relate to its risk management prepared in response to the requirement of Item 402(b) and (s), of Regulation S-K (or any successor disclosure item), as well as any methodologies and any narrative disclosure related to the Company’s CEO “pay ratio” in accordance with Item 402(u) of Regulation S-K, and based on such review and discussion recommend to the Board whether such “Compensation Discussion and Analysis” disclosure and narrative disclosure regarding compensation risk should be included in the Company’s annual report on Form 10-K, proxy statement, information statement or similar document, and prepare an annual report, or other disclosures, on executive compensation to the Company’s stockholders for inclusion in the annual report or the proxy statement for the Company’s annual meeting in accordance with the rules and regulations of the Commission so long as the Company is subject to the periodic reporting requirements of the Exchange Act.

14. Periodically review the Company’s procedures with respect to employee loans. The Committee will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director or executive officer (or equivalent thereof) of the Company. The Committee will assist the Board and management of the Company in complying with this prohibition.

15. Perform any other activities required by applicable law, rules or regulations, including the Exchange Rules and rules and regulations of the Commission, and take such other actions and perform and carry out any other responsibilities and duties delegated to it by the Board or as the Committee deems necessary or appropriate consistent with its purpose.
